Superintendent, Mike Flanagan, has asked for a letter of support for the MDE Michigan Race to the Top application. He has referred to the NME as the most important grass roots advisor to the MDE and, as such, we have a unique opportunity to respond to this request through this survey. Project Re-imagine is a reality, the Race to the Top opportunity is a reality, the Race to the Top legislation is a reality, and the Race to the Top Application is a reality. What remains is for the NME to respond to the opportunity to be a most significant influence in the success of the application and the implementation if Michigan gets the grant. Please fill out the answers to the following four questions and make comments if you wish at the end.

1. Agree or disagree: the Michigan Race to the Top application represents a critical opportunity for our state to engage in the innovations and fundamental reforms that that will lead to increased student achievement and career readiness.
